

A message from Ladies League Nomination Chairperson, Shellie Anderson

Thank you to all the golfers, from novice to expert, who chose to join the Southside Golf Course Ladies League for the 2022 season, it is because of you, we have become the largest ladies league in Canada.

The course is in great shape and even though the weather is often questionable, I think it has been a fantastic year.

We are moving back to our usual Board process as over the last two years we have been unable to carry on our business as usual, thus extending our executive team's terms of office much longer than expected.

So, it is time for the executive to pass the flag, presenting an opportunity for membership to get involved.

Nominations are being accepted until this August 26th and require a seconder and a brief bio. The vote for positions will take place at this years Annual General Meeting of Membership on September 13th, 2022.

Hold the Date – September 13th, 2022 – further AGM info to follow

*You can obtain a nomination form at the course or on the SSGC website please submit prior to the deadline of August 26th, 2022 to southsideladiesleague@gmail.com or the course pro shop – **“Attention - Shellie Anderson Ladies League Executive”***

Thank you to our executive team for their many years of awesome work:

President – Fiona McIntyre

Vice President – Donna Henry

Treasurer – Mary Jean Jones

Secretary – Candace Watts

Sports Captain – Lori Reid

Your dedication to the success of the league has been invaluable and greatly appreciated. We are also grateful for your offering to mentor the incoming executive for the 2023 season to facilitate a bogeyless transition.

So, fellow golfers, if you are interested in a position on the Executive or wish to know more about what each role entails, please contact me Shellie Anderson (as above) via southsideladiesleague@gmail.com or respond to Fiona's “Message from the President Southside Ladies League”

Thank you for considering this opportunity, I look forward to hearing from you and until then, enjoy the rest of the weather and all the birdies!!!
